

WhiteOut Camper and Medical Information Form Instructions

Beulah Beach needs to know who is coming from your group and we need parental permission for Beulah Beach to administer medical aid, use professional photography and video of their campers, etc. Beulah Beach requires EVERY attendee to register individually online. We have moved away from paper and printers to try and make this as simple as possible from your end. This registration won't handle individual payments, so you have the freedom to do that in whichever way is most convenient and efficient for you. We will handle final payments directly from the church or group.

Here is a drafted email that you can copy/paste to email all your WhiteOut attendees:

"Dear WHITEOUT Camper Families,

Your child is registered with us to attend the WhiteOut Retreat. Beulah Beach has asked us to ensure EVERY attendee from our group fills out a WhiteOut Camper and Medical Information Form online.

Please visit the following link (bbeachgolf.campbrainregistration.com) and complete the necessary information under the tab "WhiteoutGroups2021." Prior to beginning the form, you should know your church name, group leader name, health insurance information, and emergency contact info.

- 1. Login to your Beulah Beach account or create a new account.*
- 2. Register under the "WhiteOutGroups2021" tab.*
- 3. Follow the prompts and fill out information as requested.*
- 4. Be sure to submit your group name and group leader in the form.*
- 5. You should not have to make any payments here. If your account requests payment of any kind, you are in the wrong spot!*
- 6. Upon completing the form, you should receive an email from Beulah Beach acknowledging they have received the form.*

Thank you for doing this. Our group is so excited to be a part of WhiteOut 2021!"

We will be reaching out to you around 14 days prior to your event once we receive your final numbers with a complete list of individuals from your group who have completed the online form. If you have campers who have yet to fill out the registration form online, you can reach out to them individually and ensure they do this before they arrive.
